

## Wrap up

- Guidebook revision
  - Revision of selected chapters
  - Revised chapters will be open for review
  - **Please bring this review to the attention of your national experts**
- Rainer Steinbrecher (Nature co-chair) will retire this year
  - Do we need Nature in the expert panel?
  - No commitments to reduce emissions
  - Modellers use their own methods for estimating emissions
- The year 2022/23 will be busy
  - So have a good summer
